Job Title: Section Supervisor

Agency (Cabinet/Department): Public Protection Cabinet/Dept. Housing Bldgs & Construction

Education: Graduate of Frankfort High School, have some college.

Work Experience: Have been with Dept. of Housing Buildings and Construction for 20+ years in which I have worked my way up through the Dept. where I have served as a supervisor for the past one and half years now. I work with the Electrical Advisory Committee since 2007. I served on the local High School SBDM committee this past year and am seeking re-election for that.

Why I am a candidate for the Personnel Board: Since working in State Government as a merit employee, I have listened to many voices of other state merit employees on the fairness and equality among co-workers and peers. If elected, I would work hard to be your voice on Personnel Issues and Regulations.
